

ASSEMBLY PRODUCTS LINE CARD

- Custom precision laser cutting.
- CNC laser cutting.
- Precision parts manufacturing, laser marking, depaneling, drilling and micro machining.
- Skiving and routing.

- Laser cut stencils.
- NanoSlic coating available which improves solder paste transfer efficiency and overall yields.
- Design and technical support staff available.

- Solder paste – leaded, lead free and no clean.
- Solder bar and wire.
- Liquid and tacky solder flux.
- Solder additives.

- Solder dross and electronic recycling.
- Includes dross, solder paste, populated boards, wire, aluminum and silver film.
- Pick up, recycle and payment for recycled product.

- Revolutionary ceramic chemistry.
- Protects metals, glass and polymers from water, heat and corrosion.
- Coating available with Blue Ring Stencil to enhance processing and yields.

- Kapton tapes, discs and films.
- Copper foil tape.
- Inspection arrows.
- Blue plating tapes.

- Contact cleaning machines and supplies.
- Clean room rollers and walk mats.
- Clean wipes – wet and dry.
